SAMARITAN HEALTH CLINIC GOLF TOURNAMENT

Our Story

Founded in 1991, Samaritan Health Clinic is a free clinic that provides free medical care to residents of Pickens County who are not eligible for Medicaid, Medicare or private insurance and who have limited income. We serve everyone regardless of race, religion, creed, gender, or national origin. Our mission is “To share the love of Christ by serving people through medical services, health education, and spiritual counseling”. We also have a pharmacy that provides life sustaining medications. In 2015 we opened a dental clinic to meet the immense oral health demand in our community. As a sponsor you will be noticed by many local professionals and your donation will support a very necessary and worthy mission.
